Why are you in this class? *

I want to learn more about Informatics

I need the writing credit

This class was recommended by a friend

Other:

This class sounds interesting and counts as Elective credits in my major

"Quiz"

Earn up to 30 XP! Each question is worth 5 XP.

Highly recommend familiarizing yourself with gClass sooner than later. There is ALOT of information on the site and it will only benefit you and your grade if you understand how gClass works.

✓ To level up in gClass, you have to work through modules... *

☒ Horizontal

☐ Vertical

Feedback

Yay! You got it right!

✓ Level up bonuses are earned by... *

☐ Leveling up

☐ Turning things in

☒ Reaching weekly expected levels by Sunday night

Feedback

Yay! You got it right!

Sunday by midnight is the deadline to have work submitted AND graded to receive the level up bonus. Click the "How Much XP?" button on the left side of gClass to see the expected levels per category (Learner, Thinker, Speaker, Writer, Builder).

✓ In order to receive the writing credit for this course, you must... *

- ☐ Submit at least 3 essays
- ☒ Submit at least 3 essays AND the average grade for all three essays to be 85% or above ✓
- ☐ Submit at least 3 essays AND the minimum grade per essay can be no lower than 75%

Feedback

Yay! You got it right!

✓ Only ___ essay(s) can be submitted at a time (at any stage in the writing process) *

- ☒ 1 ✓
- ☐ 2
- ☐ 3
- ☐ 4

Feedback

Yay! You got it right!

Just ONE essay at any stage can be submitted at a time. Please remember this and plan out your writing submissions. We will NOT be able to make exceptions as the quarter ends and you have multiple submissions.

Any comments, questions, or concerns?

Looking forward to learning :)
